Model Colony, Jail Road  
Nashik, MH 422101

## Digital Software for Growing Educational Institutes

- EduOmega gives you better data for making better decisions.

## EduOmega Overview

EduOmega is a coaching/institute/school management software. It's a SIS, Quiz examination, Report, Attendance, Timetable manager, Fees manager, bookstore, Student growth track, etc... all in one bundle. So your people, academics, admissions, billing, scheduling, and communications all work together. Your whole institute / school can use it— Staff, faculty, parents and students. And your information is more accessible and useful than ever.

## What is EduOmega?

EduOmega is an interactive online Educational Institution Management System that streamlines the tasks of any type of Educational Institute with few keystrokes and mouse click. We can also design and build a customized solution based on EduOmega that best suits your Educational Institutes.

# Why should I use EduOmega?
